## Message from President

在这个充满挑战与希望的一年即将过去之际，我谨代表海南亚洲公益研究院，向所有支持和参与我们工作的每一个人表示最诚挚的感谢。

过去的一年，面对全球性的经济波动和社会变革的巨大挑战，我们展现了公益人所特有的智慧和勇气。正是这些挑战，让我们更加坚定地认识到公益的力量和价值。我们通过举办论坛、发布研究报告、推动项目实施等方式，积极回应社会需求，为解决紧迫问题提供了创新的思路和实践。

我们坚持“公益全球化合作”与“公益跨界创新”的理念，不断探索公益与科技、文化、经济等领域的结合点，推动公益模式的创新。我们相信，通过跨界合作，可以激发出更多的社会活力，为公益事业注入新的动能。

我们深知，公益事业的发展离不开政策的支持和社会的参与。我们将进一步积极与政府、企业、学术机构以及其他社会组织合作，共同推动公益政策的完善与实施，提高公众对公益重要性的认识和参与度。

展望未来，我们将继续秉承开放、合作、创新的精神，进一步拓展公益研究的工作领域和影响力。我们将继续致力于培养新一代的公益领导人，推动公益项目和实践的创新，为构建一个更加公正、包容和可持续的未来贡献我们的力量。

在此，我要特别感谢每一位海南亚洲公益研究院的成员，是大家的辛勤工作和无私奉献，让我们的愿景得以实现。同时，还要感谢我们的主管部门与合作伙伴和支持者，没有你们，我们的工作不可能取得如此成功。

让我们携手同行，以更加坚定的步伐，迎接新的一年，共同创造更多的可能。

As this challenging and hopeful year draws to a close, I would like to extend my heartfelt gratitude, on behalf of Asia Academy of Philanthropy, to everyone who has supported and participated in our work.

Over the past year, in the face of significant challenges from global economic fluctuations and social transformations, we have demonstrated the unique wisdom and courage of those in the public welfare sector. It is precisely these challenges that have deepened our recognition of the power and value of public welfare. Through organizing forums, publishing research reports, and promoting project implementation, we have actively responded to societal needs and provided innovative ideas and practices to address pressing issues.

We adhere to the principles of "global cooperation in public welfare" and "cross-sector innovation in public welfare," continuously exploring intersections between public welfare and fields such as technology, culture, and the economy, thereby driving innovation in public welfare models. We believe that cross-sector collaboration can inspire greater social vitality and inject new momentum into public welfare initiatives.

We deeply understand that the development of public welfare cannot happen without policy support and societal participation. We will continue to actively collaborate with governments, enterprises, academic institutions, and other social organizations to jointly advance the improvement and implementation of

王振耀 海南亚洲公益研究院理事长

public welfare policies, as well as to enhance public awareness and participation in the importance of public welfare.

Looking to the future, we will uphold the spirit of openness, cooperation, and innovation, further expanding the scope and impact of public welfare research. We remain committed to cultivating the next generation of public welfare leaders, driving innovation in public welfare projects and practices, and contributing to the creation of a fairer, more inclusive, and sustainable future.

Here, I would like to extend special thanks to every member of Asia Academy of Philanthropy. It is your hard work and selfless dedication that has brought our vision to life. I would also like to thank our supervising authorities, partners, and supporters. Without you, our achievements would not have been possible.

Let us move forward hand in hand, embracing the new year with greater determination and creating more possibilities together.

Wang Zhenyao  
Chairman, Asia Academy of Philanthropy

## Dane's Report

2023-2024年，是海南亚洲公益研究院（以下简称亚研院）经过结构性优化调整，迎来跨越式发展的关键两年。亚研院全面实施理事会通过的业务实体化、管理规范化的发展战略。主要工作成绩如下：

1. 加强党建工作，以党建促进合规治理。中共亚研院党支部建设工作有了实质性的变化，实现了由功能党支部向实体党支部的转变的目标。亚研院党支部全体党员认真学习二十届三中全会精神，结合亚研院的合规治理工作，提出了未来5年工作的发展战略。亚研院党支部获得了海南省社会科学界联合会党委授予的先进党支部的称号；亚研院被海南省民政厅评为社会组织等级评估4A级荣誉称号。

2. 开发专业课程，服务社会组织行业建设。围绕社会政策设计、社会治理研究、社会组织发展、企业公益战略、国际慈善研究等，亚研院建立了公益慈善新型知识结构和独具特色的亚洲公益研究体系，采用独立体系、融合互通的方式建立课程体系，并开展社会培训、定制培训共14场，包括慈善信托、商协会建设，厕所革命，递爱福发展等公益前沿课程。

3. 推动品牌建设，建立与合作伙伴全面发展机制。通过举办“亚洲公益论坛”、“中国慈善会创新大会”等系列国际性和全国性的品牌活动，搭建了慈善资源对接平台、业界合作交流渠道。通过与业务合作单位建立良好的合作伙伴关系，包括中央地方政府机构，企业，基金会、行业协会商会、国际组织以及国际民间组织等合作伙伴，发挥各个合作伙伴优势，互利互惠，共同发展。由亚研院主办的首届亚洲公益论坛被中国民间组织

国际交流促进会评为“丝路一家亲”“新平台”示范案例。

4. 完善管理制度，推动管理队伍的专业化。围绕亚研院发展，建立核心团队、执行团队的专业化建设，以分层级战略规划、分阶段项目评估、分类型专业策划、分属业务咨询、分专业人才培养，将多元化业务精细化管理，克服了多地办公的弱点，采用了钉钉管理体系，减少工作成本，提升了管理效率。同时建立社会组织管理专家库，优秀项目库和培训教授库，为高效率推进业务发展起到有效的作用。

回顾过去的两年工作，亚研院的工作还存在四个方面的问题：第一、没有充分发挥理事会各位理事的作用，理事参与业务工作的积极性不明显；第二、业务工作的系统化建设还处于探询阶段，对客户的需求研究和发展状况有待加强；第三、员工业务培训和职业化规划不足，尤其是专业咨询服务工作还不能满足战略实现的需要；第四、专业化管理依然存在发展盲点，财务收入的稳健性不足，还处于探索过程。

展望2025年工作计划，提出以下工作设想：

1. 继续加强党的建设，促进内部治理。重点做好亚研院换届工作，发挥理事会和监事的作用；优化内部管理制度建设，夯实机构运行发展根基；注重工作团队能力提升，广聚八方力量多元人才。

2. 大力发展主体业务工作，全面提升工作成效。发挥行业智库引领作用，产出权威高质科研成果。拓展深度合作伙伴关系，整合汇聚

多方优质资源。完善亚研院培训业务体系（社会服务管理SSA），打造培训产品矩阵。创新发业务发展模式，推动商业向善实践探索。

3. 全面规范财务管理，提升组织专业化管理能力。统筹财务账户监督管理，组建专业财务工作队伍，建立科学收入分配体系，激发团队干事创业活力；设立院长专项发展基金，稳固行政管理日常保障。

4. 实施品牌战略转型计划，提升公信力和影响力。主动服务海南自贸港建设，助力“一带一路”中的民心相通工作。考虑在海内外举办“亚洲公益论坛”，促进民间外交工作的专业化，继续办好“中国慈善会创新大会”等品牌活动，促进多元合作，提升亚研院的行业公信力和国际影响力。

借此机会，我谨代表亚研院的全体同仁向支持亚研院工作的政府机构，捐赠机构，合作伙伴等表示衷心的感谢，也希望你们继续支持亚研院的工作，对我们工作中存在问题提出批评和建议，让亚研院各项工作在2025年再上一个台阶，为中国及亚洲公益慈善事业的发展作出新的贡献。

黄浩明 海南亚洲公益研究院院长

In 2023 and 2024, the Asia Academy of Philanthropy (hereinafter referred to as the Academy) underwent structural optimization and adjustments, marking a key two years of leapfrog development. The Academy fully implemented the development strategy approved by the Board of Directors, which focuses on business entity transformation, management standardization, team professionalism, and brand internationalization. The main achievements are as follows:

1. Strengthening Party Building Work to Promote Compliance Governance. The construction of the Party branch of the Asia Academy of Philanthropy has undergone substantial changes, achieving the goal of transitioning from a functional Party branch to an entity-based Party branch. All Party members of the Academy Party branch have earnestly studied the spirit of the 20th Central Committee's Third Plenary Session and, in conjunction with the Academy's compliance governance work, have proposed a development strategy for the next five years. The Academy Party branch was awarded the title of "Advanced Party Branch" by the Hainan Provincial Federation of Social Sciences, and the Academy was recognized with a 4A-level honor in the social organization grading evaluation by the Hainan Provincial Civil Affairs Department.

2. Developing Professional Courses to Serve the Development of the Social Organization Sector. Focusing on social policy design, social governance research, social

organization development, corporate philanthropy strategy, and international philanthropy studies, the Asia Academy of Philanthropy has established a new knowledge structure for public welfare and charity and a unique research system for Asian philanthropy. The Academy has developed a course system through an independent framework that is also integrated and interconnected. It has conducted 14 training sessions, including social training and customized training, covering cutting-edge topics in philanthropy such as charitable trusts, business association development, the toilet revolution, and the development of the Giving Love initiative.

3. Promoting Brand Development and Establishing a Comprehensive Development Mechanism with Partners. By hosting a series of international and national brand events such as the "Asia Philanthropy Forum" and the "China Charity Innovation Conference," the Asia Academy of Philanthropy has created a platform for matching philanthropic resources and established channels for industry cooperation and exchange. The Academy has built strong partnerships with business collaborators, including central and local government agencies, enterprises, foundations, industry associations and chambers of commerce, international organizations, and international NGOs. By leveraging the strengths of each partner, these collaborations have fostered mutual benefits and joint development. The first Asia

Philanthropy Forum, hosted by the Asia Academy of Philanthropy, was recognized as a "Silk Road Family" and "New Platform" model case by China NGO Network for International Exchanges.

4. Improving Management Systems and Promoting the Professionalization of the Management Team. In line with the development of the Asia Academy of Philanthropy, a professional core team and execution team have been established. The Academy has implemented a tiered strategic planning approach, phased project evaluations, specialized planning by category, business consulting by type, and professional talent training. These efforts have enabled the fine management of diversified operations, overcoming the challenges of operating in multiple locations. The Academy adopted the Dingding management system to reduce work costs and improve management efficiency. Additionally, the Academy established a database of experts in social organization management, an excellent project database, and a training and teaching resource pool, all of which have played an effective role in promoting business development efficiently.

Looking back at the work of the past two years, the Asia Academy of Philanthropy still faces four issues:

First, the role of the board members has not been fully utilized, and their participation

in business operations has been less active. Second, the systematic development of business operations is still in the exploratory stage, and research on client needs and development status needs to be strengthened. Third, employee training and career development are insufficient, especially in professional consulting services, which are not yet able to meet the needs of strategic implementation. Fourth, professional management still has developmental blind spots, and the stability of financial income is insufficient, as it remains in the exploratory phase.

Looking ahead to the work plan for 2025, the following work ideas are proposed:

1. Continue to strengthen Party building work and promote internal governance. Focus on the leadership transition at the Asia Academy of Philanthropy, ensuring the effective role of the Board of Directors and Supervisory Board; optimize the internal management system to strengthen the foundation for the organization's operation and development; emphasize the enhancement of team capabilities and attract diverse talents from various fields.
2. Vigorously develop core business operations and comprehensively enhance work effectiveness. Leverage the leading role of the industry think tank to produce authoritative and high-quality research outcomes. Expand deep cooperation partnerships and integrate high-quality resources from various

sources. Improve the training business system of the Asia Academy of Philanthropy (Social Service Management - SSA) and create a training product matrix. Innovate and develop business development models, and promote the exploration of socially responsible business practices.

3. Comprehensively standardize financial management and enhance the organization's professional management capabilities. Oversee and manage financial accounts, establish a professional financial team, and create a scientific income distribution system to motivate the team's initiative and dedication. Set up a special development fund for the president to ensure the stability of daily administrative management.

4. Implement the brand strategy transformation plan to enhance credibility and social influence. Actively support the construction of the Hainan Free Trade Port and contribute to the work of people-to-people connectivity under the Belt and Road Initiative. Consider hosting the "Asia Philanthropy Forum" both domestically and internationally to promote the professionalization of civil diplomacy, continue to organize brand events such as the "China Charity Innovation Conference," foster diversified cooperation, and enhance the Asia Academy of Philanthropy's industry credibility and international influence. On this occasion, I would like to express my sincere gratitude, on behalf of all my colleagues at the Asia Academy of Philanthropy, to the government agencies, donor organizations, and to partners who

have supported our work. We also hope that you will continue to support the Academy's efforts and offer constructive criticism and suggestions for improvement. With your continued guidance, we aim to take our work to the next level in 2025 and make new contributions to the development of public welfare and charity in China and Asia.

## 民办非企业单位 2023 年度财务 审计报告

嘉润审字〔2024〕115号

海南亚洲公益研究院：

### 一、审计意见

我们审计了海南亚洲公益研究院的财务报表，包括 2023 年 12 月 31 日的资产负债表，2023 年度的业务活动表、现金流量表以及相关财务报表附注。

我们认为，后附的财务报表在所有重大方面按照《民间非营利组织会计制度》的规定编制，公允反映了海南亚洲公益研究院 2023 年 12 月 31 日的财务状况以及 2023 年度的业务活动成果和现金流量。

### 二、形成审计意见的基础

我们按照中国注册会计师审计准则的规定执行了审计工作。审计报告的“注册会计师对财务报表审计的责任”部分进一步阐述了我们在这些准则下的责任。按照中国注册会计师职业道德守则，我们独立于海南亚洲公益研究院，并履行了职业道德方面的其他责任。我们相信，我们获取的审计证据是充分、适当的，为发表审计意见提供了基础。

### 三、其他信息

海南亚洲公益研究院管理层对其他信息负责。其他信息包括年度报告中不包括财务报表和我们的审计报告。

我们对财务报表发表的审计意见不涵盖其他信息，我们也不对其他信息鉴证结论。

结合我们对财务报表的审计，我们的责任是阅读其他信息，在此过程中是否与财务报表或我们在审计过程中了解到的情况存在重大不一致或者疑似

基于我们已执行的工作，如果我们确定其他信息存在重大错报，我们应在这方面，我们无任何事项需要报告。

### 四、管理层对财务报表的责任

海南亚洲公益研究院管理层（以下简称管理层）负责按照《民办非企业单位登记管理暂行条例》和《民间非营利组织会计制度》的规定编制财务报表，使其实现公允反映，并设计、执行和维护必要的内部控制，以使财务报表不存在由于舞弊或错误导致的重大错报。

在编制财务报表时，管理层负责评估海南亚洲公益研究院的持续经营能力，披露与持续经营相关的事项（如适用），并运用持续经营假设，除非管理层计划清算海南亚洲公益研究院、终止运营或别无其他现实的选择。

### 五、注册会计师对财务报表审计的责任

我们的目标是对财务报表整体是否不存在由于舞弊或错误导致的重大错报获取合理保证，并出具包含审计意见的审计报告。合理保证是高水平的保证，但并不能保证按照审计准则执行的审计在某一重大错报存在时总能发现。错报可能由于舞弊或错误所导致，如果合理预期错报单独或汇总起来可能影响财务报表使用者依据财务报表作出的经济决策，则通常认为错报是重大的。

在按照审计准则执行审计的过程中，我们运用了职业判断，并保持职业怀疑。同时，我们也执行以下工作：

（一）识别和评估由于舞弊或错误导致的财务报表重大错报风险，设计和实施审计程序以应对这些风险，并获取充分、适当的审计证据，作为发表审计意见的基础。由于舞弊可能涉及串通、伪造、故意遗漏、虚假陈述或凌驾于内部控制之上，未能发现由于舞弊导致的重大错报的风险高于未能发现由于错误导致的重大错报的风险。

（二）了解与审计相关的内部控制，以设计恰当的审计程序，但目的并非对内部控制的有效性发表意见。

（三）评价管理层选用会计政策的恰当性和作出会计估计及相关披露的合理性。

（四）对管理层使用持续经营假设的恰当性得出结论。同时，根据获取的审计证据，就可能导致对海南亚洲公益研究院持续经营能力产生重大疑虑的事项或情况是否存在重大不确定性得出结论。如果我们得出结论认为存在重大不确定性，审计准则要求我们在审计报告中提请报表使用者注意财务报表中的相关披露；如果披露不充分，我们应当发表非无保留意见。我们的结论基于截至审计报告日可获得的信息。然而，未来的事项或情况可能导致海南亚洲公益研究院不能持续经营。

（五）评价财务报表的总体列报、结构和内容（包括披露），并评价财务报表是否公允

反映相关交易和事项。

我们与管理层就计划的审计范围、时间安排和重大审计发现等事项进行沟通，包括沟通我们在审计中识别出的值得关注的内部控制缺陷。
